Net script

QST QST QST. This is **{Your Call Sign}** activating the Lincoln County Ares NET for [insert date]. This is a regularly scheduled net session and NOT an emergency activation. Your net control station is **{Your Call Sign}** and my name is Stevie.

Any stations with priority or emergency traffic, please call net control at this time.

We will now take regular check ins. Please check in with your name, call sign, and then indicate whether you have any traffic for the net. Please call net control **{Your Call Sign}**.

This is Lincoln County ARES net taking any further check ins. Please call **{Your Call Sign}** now.

(call on individuals with traffic one at a time for traffic)

This is the final call for check ins, comments, or announcements this evening. Please call **{Your Call Sign}** now.

This is **{Your Call Sign}** closing this session of the Lincoln County ARES net. Thank you to everyone who checked in. At this time we will return the KR5NM repeater to normal amateur use. 73 everyone. This is {**Your Call Sign}** clear.
